Hampton bay fan remote control manual

The Home Depot is a major home improvement store that owns a few brands, including Husky tools, Glacier Bay bath plumbing and Hampton Bay ceiling fans, lighting fixtures and other products. Here are ways to purchase Hampton Bay lighting and ceiling fan products. Contacting Hampton Bay Lighting Hampton Bay is easy to contact for question on any of its products. Call the customer service number listed on the website for support. When calling, make sure you have the product number in front of you. That information can be found on the product's box, your store receipt, the user manual or a sticker somewhere on the item itself, says HomeDepot.com. Hampton Bay Products Hampton Bay doesn't just make lighting. This division of The Home Depot makes and sells the following categories of home products: Ceiling fans Lighting Bath fans Fireplaces and patio heaters Cabinetry and countertops Patio furniture The company is best known for its ceiling fans and lighting fixtures, and lesser known for its stock kitchen cabinetry, countertops and outdoor yard accessories. Though there isn't a catalog available, you'll find everything on The Home Depot's site. You're able to order Hampton Bay items from The Home Depot site directly. Many of the products are unavailable at stores, which means you'll need to order online. Some items can be ordered and shipped for free to your local Home Depot store for pickup. Other Outlets for Hampton Bay Though Hampton Bay is sold by The Home Depot, you'll also find some of the products sold elsewhere. For example, you'll find light fixtures on eBay.com Wayfair.com Amazon.com If you buy from any place other than The Home Depot, make sure there's a warranty. The Home Depot may not honor a warranty from a product not bought at the store. Hampton Bay Warranties for Lighting Hampton Bay warranties its lighting and ceiling fans. Light fixture warranties will vary by product, says HomeDepot.com. Ceiling fan warranties are lifetime on the motor, and a one-year warranty on other parts (except glass). Keep your receipt in case you need warranty replacement parts for Hampton Bay lighting. Types of Hampton Bay Lighting Hampton Bay has a large range of light fixtures. Here are categories of lighting from Hampton Bay: Bathroom lighting Vanity lighting Track lighting Table lamps Chandeliers Flush mount lighting Desk lamps Ceiling fan light kits Outdoor landscape, flood and solar lighting You'll also find LED indoor and outdoor lighting and fixtures with every style lamp and finish. Hampton Bay also has shades for table and chandelier styles. You'll also find fluorescent ceiling lights for garage and industrial use. MORE FROM QUESTIONSANSWERED.NET The Home Depot sells a range of Hampton Bay fans, light fixtures and other household products. Read on to learn more about Hampton Bay troubleshooting and replacement parts. Lighting and Ceiling Fans For Hampton Bay replacement blades, switches, glass shades and remote controls, head to HamptonLightingAdvice.com for a step-by-step guide to tracking down what you need. Figure out what the issue is, and the product name and model number before calling for your part. The name and number will be on the box. If you've misplaced the original box, use the UPC code on top of the motor covering. If you are unable to provide any of these details, snap a photo of the item to share with the customer service representative. Manuals HamptonLightingAdvice.com also has hundreds of Hampton Bay ceiling fan and lighting manuals. This site has a step-by-step guide to installing ceiling fans with videos and photos. You can also download the manual for specific Hampton Bay products, such as the brand's Vaurgas 44-inch, LED indoor ceiling fan, or its Holly Springs low-profile, 52-inch, LED, brushed nickel ceiling fan. Other fans models with manuals available on the site include Mondrian, Gazebo II, Savona, Metro, Colonial Bamboo and Sovana. This site also offers ready-to-download manuals for Hampton Bay light fixtures, including the low-voltage aged-brass halogen 6-path light and 2-spot light kit, and the 6-light chrome Flushmount Raceway bath bar light. The Dakota, Alexandria, Nove, Vortex and Wink models also have manuals available here. If you don't know the name of your model, check a Hampton Bay lighting catalog to identify it by looking at the photos. ECeilingFans.com The website eceilingfans.com sells replacement parts and performs repairs on Hampton Bay products. Call the number on their website from 8 a.m. to 8 p.m. CST Monday through Saturday for an estimate on repairs, and to order parts. Most parts ship Priority Mail via USPS in two to three days. Smaller parts ship USPS First Class in five to seven days. All sales are final, but any part other than glass can be exchanged if it does not fit or the incorrect part is sent. The customer must pay return postage or freight charges for returned merchandise. The Home Depot An online community at homedepot.com fields questions and offers support for issues with Hampton Bay products. The Home Depot also sells Hampton Bay replacement parts for kitchens, such as toe kicks that match cabinetry and end panels. 3D Printed Parts Some companies also offer 3D-printed replacement parts for Hampton Bay products. Shapeways 3D prints the brand's landscape light post joint SLSI in black nylon plastic with a matte finish and slightly grainy feel. MORE FROM QUESTIONSANSWERED.NET Having a tough time finding the original manual that came in the box with your Hampton Bay fan? Don't worry, you're not the only one. Many people tend to throw out the manual once the fan is installed. Holding onto manuals for appliances in the home is a good practice to get into, though. Later on, you can circle back and see what kind of maintenance is needed, step by step on said maintenance, parts that are suggested or required, the part numbers involved, and more. It's difficult sometimes to put a price tag against the manual - it can be an invaluable source of information. Luckily, you can find the manual for your Hampton Bay fan online. The challenge though is there's so many websites out there that provide false click areas, and make it downright challenging to actually obtain the manual for the fan. The page is titled to your ceiling fan, and says the manual is available, but many sites don't actually have the file, or the link is broken from years of someone not updating the website and keeping content and files up to date. We don't believe in misleading site visitors here or saying we have manuals when we don't. Hampton Bay Ceiling Fan Manual PDFs Below we have posted as many of the Hampton Bay PDF manuals as we can find. If there is a specific ceiling fan that you are looking for, please let us know and we will do our best to find the PDF manual that you require. Hampton Bay Clarkston Ceiling Fan Hampton Bay Carriage House Ceiling Fan Hampton Bay Carlsbad Ceiling Fan Hampton Bay Wentworth Ceiling Fan Hampton Bay Vasner Ceiling Fan Hampton Bay Tipton Fan Hampton Bay Farmington Ceiling Fan Hampton Bay Cressner Ceiling Fan Hampton Bay Sussex Ceiling Fan Hampton Bay Carriage House Ceiling Fan Hampton Bay Sinclair Ceiling Fan Model No.: 191-691 Vendor No.: 11289UPC# 792145354338 REMOTE CONTROL INSTALLATION GENERAL INFORMATION This remote control is designed to separately control your ceiling fan speed and light brightness. The fan button will control the fan speed. (Hi, Med., Low, Off) Select "D" or "ON" in the frequency switches to control the light dimmer or ON/OFF function based on your light bulbs. The red indicator on the transmitter will light when the button is pressed. INSTALLATION AND OPERATING INSTRUCTIONS NOTE: This remote control unit is equipped with 16 code combinations to prevent possible interference from or to other remote units. The frequency switches on your receiver and transmitter have been preset at the factory. Please recheck to make sure the switches on transmitter and receiver are set to the same position, any combination of settings will operate the fan as long as the transmitter and receiver are set to the same position. 1. SETTING THE CODE This unit has 16 different code combinations. To set the code, perform these steps: Caution! The dip switches on the receiver unit are covered with a rubber cover, remove the rubber cover, and then place back after making any changes to the dip switches. A. Setting the code on the transmitter: a. Remove the battery cover. Press firmly below the arrow and slide battery cover off. b. Slide the frequency switches to your choice of up or down position. (Factory setting is all up). Do not use this Position. Use a small screwdriver or a ballpoint pen to slide firmly up or down (Figure A). c. For use with incandescent bulbs, use the "D" setting for full range dimming. For fans that use Fluorescent or LED bulbs, use the "ON" setting for the light to have ON/OFF functions only. d. Replace the battery cover on the transmitter. B. Setting the code on the receiver: a. Slide the frequency switches to the same positions as set on your transmitter (Figure B). 2. INSTALLING RECEIVER IN THE CEILING FAN. Safety precautions: WARNING: HIGH VOLTAGE! Household electrical power can cause serious injury or death. Disconnect the source of electrical power to the ceiling fan by removing the fuse or switching off the circuit breaker. B. Installing receiver in fan.: a. Remove the ceiling fan canopy from the mounting bracket. b. Disconnect the existing wiring between the ceiling fan and supply at the electrical junction box. c. Lay the black antenna wire on top of the receiver, and put the receiver in the mounting bracket. (Fig. C) d. Make the connections as follows, using the wire nuts supplied: (Fig. D) CONNECT TO Green fan wire.....Bare supply wire Black receiver wire (AC IN L).....Black supply wire (AC IN L).....Black supply wire White receiver wire (AC IN N).....White supply wire White receiver wire (TO MOTOR N).....White fan wire Black receiver wire (TO MOTOR L).....Black fan wire Blue receiver wire (FOR LIGHT).....Blue light wire Frequency switches Frequency switches Receiver Fig. B Transmitter Fig. A Fig. C RECEIVER Fig. DAC SUPPLY BLACK WHITE BARE GREEN WHITE WHITE BLUE BLUE BLACK BLACK RECEIVER NOTE: When installing the remote control, be sure your fan is set on "HIGH SPEED" and the light is ON. ON NOTE: Frequency Switches "D" = Incandescent use (Dimming) "ON" = CFL or LED use (On/Off only) ON ECE1 2 3 4 ON DON
