## Bose wave music system iv with cd player and alarm clock

© 1996-2014, Amazon.com, Inc. or its affiliates Yahoo Life has received compensation to create this article, and receives commission from purchases made via links on this page. Pricing and availability are subject to change.Think Spotify and Pandora are great, but still want to enjoy your beloved CDs? Bose is here to keep that physical media alive. (Photo: Bose)Sure, the digital era is great and all, but there's still a lot to be said for the sound of physical media and good 'ol over-the-air radio. If you're one of those people who can't let go of your CDs and love tuning in the FM or AM band, the Bose Wave Music System IV is just what you've been searching for.HSN has dropped the price of this set, which includes a Bluetooth receiver, from \$500 to just \$350. That's the lowest price we've found on the web right now. Trust us, this baby's gonna fly off the shelves.Don't want to pay all in one go? Opt for five FlexPay installments of just \$70 instead. Plus, if you're a first-time HSN shopper, you can grab an extra \$10 off with code HELLO10.The Bose Wave Music System IV — which comes in Espresso Black and Platinum Silver — delivers epic sound and comes equipped with a plug-in PAWW Bluetooth receiver, so you can wirelessly sync your smartphone or laptop to it (there's also an auxiliary port if you want to plug in another device instead) — if it's a great marriage of old-school and tech-enabled. The design is elegant, minimal and slim, so this powerhouse can fit just about anywhere you want it, and the sound is epic.Enjoy waking up to the sound of music or the day's headlines on the radio? You can program the system's timer to sync up to your preferences too. There's no shortage of amazing features in this powerful little sound system. It has a slot-loading CD player for all those beloved albums you've been neglecting, a headphone jack, and Waveguard speaker technology that amplifies everything beautifully, from your favorite podcasts to your workout playlists.\$350 \$500 at HSNMusic-delivery systems change, but the beauty and stylishness of a Bose unit is timeless. (Photo: Bose)Bose reviewers praise the longevity of this sound system and its superior sound quality. See below to learn why shoppers are obsessed with the Bose Wave Music System IV.Superior sound quality"There is no question that the sound is fantastic," wrote a five-star Bose reviewer."Perfect system for the home," wrote another shopper. "The sound is simply stunning and fills the entire room. The radio reception is superb and the ability to play Internet radio via TuneIn brings this product firmly in 2020s!"It'll rouse you from your sleep, accompany you at work, and rouse you after a work-time nap! (Photo: Bose)Practically perfect, in every way"I wanted a newer Bose, with a CD player, for another room so the System IV was a natural choice..." shared a longtime Bose fan. "The AM/FM stereo radio and CD player perform flawlessly and the sound quality is equal to or better than a top-drawer stereo system with large bookshelf speakers I have owned before. All in an attractive, compact package."The Bose Wave Music System IV produces "astounding sound," added another happy customer. "Played about a dozen CDs of mine with even better results," continued the fan. "The music just got better!"Catch this HSN sale while you can, especially for \$150 off!\$350 \$500 at HSNFollow us on Instagram, Facebook, Twitter and Pinterest for nonstop inspiration delivered fresh to your feed, every day.Want daily pop culture news delivered to your inbox? Sign up here for Yahoo Entertainment & Life's newsletter. Exclusive waveguide speaker technology delivers high-performance sound CD/MP3 CD player with repeat, random and continuous play Advanced AM/FM tuner with onscreen text display of song and artist information Auxiliary input for other sources Slim credit card-style remote operates all functions Just plug it in and you're ready to go. Regular or home-burned CDs/MP3 CDs load directly into the front, and your favorite radio stations are available at the touch of a preset. A slim infrared remote control lets you operate all system functions from anywhere in the room, and the convenient touch-top controls for on/off/snooze are completely invisible. You hear your music with clear, full, accurate sound. All from a system that fits virtually anywhere—living room end table, kitchen counter or bedroom nightstand. Much as a flute expands a breath of air to fill a concert hall, Bose waveguide technology fills your room with natural sound. In addition to the built-in AM/FM radio tuner and CD player, connect to devices that use a standard 3.5 mm audio output. The advanced AM/FM tuner delivers clear radio reception, and you can instantly access your favorite stations with six FM and six AM presets. Song and station information appears on the large visual display. And the CD player lets you hear your music the way you like with repeat, random and continuous play. Dual alarms with gently rising volume Large display with adjustable brightness and automatic nighttime dimming Headphone jack for private listening AUX input FM antenna Headphone jack Bose link Wave® music system IV 8 foot (2.4 m) AC power cord Remote control (battery pre-installed) Rated 5 out of 5 by Jean from Bose cd/radio Nice sound. It has a very clear sound. Very clear sound Date published: 2022-03-09 Rated 5 out of 5 by Herm from excellent sound. We bought this wave two weeks ago to replace one that w had for many years. we were having trouble with tuning. This new WAVE has better sound and we are very happy with the new unit Date published: 2022-02-24 Aside from its built-in AM/FM radio and CD/MP3 CD player, the Wave music system IV can play audio from most of today's portable music devices. The standard 3.5 mm AUX in input accepts MP3 and DVD/CD players, and even older audio cassette players. No, but we have a distinct Wave® system that does. The Wave® SoundTouch® music system IV combines the benefits of the Wave® music system IV and our SoundTouch® wireless systems into one convenient unit that plays CDs, AM/FM radio and streaming music via Wi-Fi. No, the Wave® music system IV is not a SoundTouch® system with Wi-Fi capability. However, our Wave® SoundTouch® music system IV works together with other SoundTouch® systems to let you play music wirelessly throughout your home. Hear the same music everywhere, or different music in different rooms. Yes. Two different wakeup times may be set, customized for each person's preferences (radio station or beep, volume, etc.). This is handy if two people wake at different times. The Wave® music system IV has one CD slot. Yes. The Wave® music system IV comes with a headphone jack. The Wave® music system IV is backed by a limited one-year warranty. © 1996-2014, Amazon.com, Inc. or its affiliates Exclusiva tecnología de guía de ondas para altavoces que brinda sonido de alto rendimiento Reproductor de CD y MP3 con reproducción aleatoria, continua y repetición Sintonizador AM/FM avanzado con visualización de texto en pantalla sobre la canción y el artista Entrada auxiliar para otras fuentes Control remoto estilo tarjeta de crédito que opera todas las funciones Solo hay que conectarlo y listo. Cargue los CD o MP3 normales o grabados en casa directamente en la parte delantera. Sus estaciones de radio favoritas están disponibles con el toque de una preselección. Un control remoto infrarrojo delgado le permite operar todas las funciones del sistema desde cualquier lugar de la habitación, y los prácticos controles al toque ubicados en la parte superior para las funciones de encendido, apagado y posponer alarma son totalmente invisibles. Escuche su música con un sonido claro, pleno y preciso. Todo desde un sistema que se adapta prácticamente a cualquier lugar: una mesa de sala de estar, un mueble de cocina o una mesa de noche. Así como una flauta expande un soplo de aire fresco para llenar una sala de conciertos, la tecnología de guía de ondas de Bose envuelve la habitación con sonido natural. Además del sintonizador de radio AM/FM y el reproductor de CD incorporados, se conecta a dispositivos que utilicen una salida de audio de 3.5 mm estándar. El avanzado sintonizador AM/FM ofrece una clara recepción de radio, y puede obtener acceso instantáneo a sus estaciones favoritas con seis preselecciones FM y seis AM. La información de la canción y de la emisora aparece en la gran pantalla visual. Y el reproductor de CD le permite escuchar música de la forma que quiera gracias a la funciones de reproducción repetida, aleatoria y continua. Alarma doble con volumen progresivo Pantalla grande con brillo ajustable y atenuación nocturna automática Conector de audífonos para escuchar en privado Entrada auxiliar Antena FM Conector de audífonos Bose link Sistema de música Wave® IV Cable de alimentación de CA de 2.4 m (8 pies) Control remoto (batería preinstalada) Aparte de sus funciones incorporadas de radio AM/FM y reproductor de CD/CD de MP3, el sistema de música Wave IV puede reproducir audio de manera inalámbrica desde la mayoría de los dispositivos portátiles de música actuales. La entrada auxiliar de 3.5 mm estándar acepta reproductores de MP3 y DVD/CD, e incluso reproductores de casete más antiguos. No, pero tenemos un sistema Wave® distinto que sí. El sistema de música Wave® SoundTouch® IV combina los beneficios del sistema de música Wave® IV y nuestros sistemas inalámbricos SoundTouch® en una cómoda unidad que reproduce CD, radio AM/FM y transmisión de música a través de Wi-Fi. No, el sistema de música Wave® IV no es un sistema SoundTouch® con capacidad Wi-Fi. Sin embargo, nuestro sistema de música Wave® SoundTouch® IV funciona junto con otros sistemas SoundTouch® para permitirte reproducir música de forma inalámbrica en toda la casa. Escucha la misma música en todas partes o diferente música en distancias habitaciones. Sí. Se pueden ajustar dos tiempos de activación diferentes, personalizados para las preferencias de cada persona (estación de radio o un sonido, volumen, etc.). Esto es práctico si dos personas despiertan a horas diferentes. El sistema de música Wave® IV tiene una ranura para CD. Sí. El sistema de música Wave® IV viene con un conector para audífonos. El sistema de música Wave® IV tiene el respaldo de una garantía limitada de un año.
